Christmas Log Recipe

450g Morning Coffee
6 tbsp cocoa powder
100g walnuts
100g hazelnuts
100g whole candied cherries
400g condensed milk
150g chocolate, melted

1. Toast the walnuts and hazelnuts until fragrant, then let them cool and chop them.
2. Crush the biscuits finely in a food processor.
3. Combine the biscuit crumbs, nuts, cocoa powder, and whole candied cherries in a large bowl.
4. Pour in the condensed milk. Mix with your hands until the mixture becomes sticky.
5. Shape the mixture into a log and set it aside.
6. Melt the chocolate and coat the log completely. Run a fork along the surface to create a tree-bark effect.
7. Allow the chocolate to set and decorate. Add a dusting of icing sugar if you like.
8. Keep the Christmas log out of the fridge to prevent it from drying out.
