Ingredients

- 220g dark chocolate
- 170g unsalted butter, diced
- 80g soft brown sugar
- 2 tsp instant coffee granules
- 1 tot brandy or whisky
- 220g MC VITIES Digestive biscuits, coarsely broken
- 100g toasted nuts (hazelnuts, walnuts, almonds)
- 100g dried cranberries

You will also need

- 400g melted chocolate
- 1 tbsp icing sugar
- Christmas decorations (optional)

Manuel's Festive Christmas Log

Featuring MC VITIES Digestive Biscuits.

For the log, place the chocolate, butter, sugar and coffee into a large saucepan and heat together gently to melt the butter and sugar. Remove off the heat, stir in the alcohol, morning coffee biscuits, nuts and cranberries and mix together well. Empty out onto a sheet of greaseproof paper, form into a log and

roll up tightly. Place in the fridge to set for 1-2 hours or overnight. Meanwhile, melt the remaining chocolate. To make the bark, pour half of the chocolate onto a sheet of baking paper, spread out and cover with another sheet. Roll up loosely and place into the fridge to harden. When ready to decorate, remove the log

from the paper and place onto a serving board. Brush all over with the remaining 200g melted chocolate. Remove the bark from the fridge, unwrap the paper and stick the shards of chocolate bark onto the log. Dust with icing sugar and stick in the Christmas decorations if using.
