The Prosecco Spumante Rose' fresh berries aromas with a finish of citrus notes and fine mousse offer a fruity taste which balances the savoury, nutty Pecorino cheese and balances the spiciness of Spianata Piccante.

The softly sparkling and stone fruit and hints of apple flavour in the Prosecco enhance the nuttiness of pistachio and the floral, herbal notes of Pecorino, balancing the chilli heat of Spianata Piccante with the wine's, fresh fruit and soft Mousse.
