WWF & Lidl: a closer look at palm oil is **More to Value.**

Together with WWF, we are committed to certified raw materials. 100% of the palm oil in our private-label products comes from certified cultivation. This means that this palm oil meets the criteria of the RSPO standard. These criteria include, for example:

the protection of habitats for animals and plants by avoiding deforestation of primary forests.

compliance with labor rights as well as fair working conditions and wages for producers.

Look for our certified products when shopping.
